This website, hosted by the ICC World Chambers Federation, aims to offer Chambers and Customs Authorities the possibility to **verify the authenticity of Certificates of Origin online**.

The tool is provided within the framework of the ICC WCF International CO Accreditation Chain, which gathers chambers that apply internationally and widely accepted standards, based on the ICC WCF International CO Guidelines.

If you hold a Certificate of Origin issued by a participating chamber (bearing the ICC WCF label), just enter the **CO number** to authenticate the Certificate.
